

Sailmaker Kame Richards of Pineapple Sails will be presenting a talk on “Local Knowledge” for the Catalina 30 racers as part of the Skipper’s Meeting on Friday morning, September 18. The talk will be targeted at the race courses and sailing areas selected by the Race Committee. The subjects covered will include tides and currents, and how they effect which direction you should sail. Likely wind scenarios will be discussed, and recommendations for sail trim will be covered. Questions are encouraged!
